

Sudoku Instructions

1. ALL participants must participate in both rounds. Duration of each round is 30 minutes.
2. Each sudoku is assigned certain amount of points, based on the difficulty. Points will be awarded only if it is completely correct. There is no partial marking.
3. You may use pen or/and pencil for solving. But make sure the digits are readable.
4. External help of any kind is NOT permitted.
5. Read the puzzle instructions carefully before solving the puzzle. Below are the sudokus of the two rounds. This Instruction Booklet contains only 6x6 examples to help understand rules. Sudokus of 9x9 will appear as given below.
